“This series is a tremendous resource for those wanting to study and teach the Bible with an understanding of how the gospel is woven throughout Scripture. Here are gospel-minded pastors and scholars doing gospel business from all the Scriptures. This is a biblical and theological feast preparing God’s people to apply the entire Bible to all of life with heart and mind wholly committed to Christ’s priorities.”

BRYAN CHAPELL, President Emeritus, Covenant Theological Seminary; Senior Pastor, Grace Presbyterian Church, Peoria, Illinois

“Mark Twain may have smiled when he wrote to a friend, ‘I didn’t have time to write you a short letter, so I wrote you a long letter.’ But the truth of Twain’s remark remains serious and universal, because well-reasoned, compact writing requires extra time and extra hard work. And this is what we have in the Crossway Bible study series Knowing the Bible. The skilled authors and notable editors provide the contours of each book of the Bible as well as the grand theological themes that bind them together as one Book. Here, in a 12-week format, are carefully wrought studies that will ignite the mind and the heart.”

R. KENT HUGHES, Senior Pastor Emeritus, College Church, Wheaton, Illinois

“Knowing the Bible brings together a gifted team of Bible teachers to produce a high-quality series of study guides. The coordinated focus of these materials is unique: biblical content, provocative questions, systematic theology, practical application, and the gospel story of God’s grace presented all the way through Scripture.”

PHILIP G. RYKEN, President, Wheaton College

“These Knowing the Bible volumes provide a significant and very welcome variation on the general run of inductive Bible studies. This series provides substantial instruction, as well as teaching through the very questions that are asked. Knowing the Bible then goes even further by showing how any given text links with the gospel, the whole Bible, and the formation of theology. I heartily endorse this orientation of individual books to the whole Bible and the gospel, and I applaud the demonstration that sound theology was not something invented later by Christians, but is right there in the pages of Scripture.”

GRAEME L. GOLDSWORTHY, former lecturer, Moore Theological College; author, According to Plan, Gospel and Kingdom, The Gospel in Revelation, and Gospel and Wisdom

“What a gift to earnest, Bible-loving, Bible-searching believers! The organization and structure of the Bible study format presented through the Knowing the Bible series is so well conceived. Students of the Word are led to understand the content of passages through perceptive, guided questions, and they are given rich insights and application all along the way in the brief but illuminating sections that conclude each study. What potential growth in depth and breadth of understanding these studies offer! One can only pray that vast numbers of believers will discover more of God and the beauty of his Word through these rich studies.”

KNOWING THE BIBLE, as the series title indicates, was created to help readers know and understand the meaning, the message, and the God of the Bible. Each volume in the series consists of 12 units that progressively take the reader through a clear, concise study of that book of the Bible. In this way, any given volume can fruitfully be used in a 12-week format either in group study, such as in a church-based context, or in individual study. Of course, these 12 studies could be completed in fewer or more than 12 weeks, as convenient, depending on the context in which they are used.

Each study unit gives an overview of the text at hand before digging into it with a series of questions for reflection or discussion. The unit then concludes by highlighting the gospel of grace in each passage (“Gospel Glimpses”), identifying whole-Bible themes that occur in the passage (“Whole-Bible Connections”), and pinpointing Christian doctrines that are affirmed in the passage (“Theological Soundings”).

The final component to each unit is a section for reflecting on personal and practical implications from the passage at hand. The layout provides space for recording responses to the questions proposed, and we think readers need to do this to get the full benefit of the exercise. The series also includes definitions of key words. These definitions are indicated by a note number in the text and are found at the end of each chapter.

Lastly, for help in understanding the Bible in this deeper way, we urge readers to use the ESV Bible and the ESV Study Bible, which are available in various print and digital formats, including online editions at www.esvbible.org. The Knowing the Bible series is also available online. Additional 12-week studies covering each book of the Bible will be added as they become available.

May the Lord greatly bless your study as you seek to know him through knowing his Word.

Week 1: Overview

Getting Acquainted

Paul’s letter to the Colossians is a jewel of Christian Scripture. Only four chapters long, it is easy to read through in one sitting, yet it provides stunning vistas of the perfections of Christ that few other New Testament documents can match in such short space. Its majestic hymn of Christ at 1:15–20 is rivaled only by that of Philippians 2:5–11. The letter therefore provides a feast for the theologian to digest. Yet Colossians also pulsates with a message that, despite the limits of the situation for which it was originally written, remains as relevant and significant as ever.

Written at the same time, Philemon is a short companion letter to Colossians. Often neglected, Philemon’s impact is out of all proportion to its size. Twenty-five verses long, Philemon was one of the key biblical texts that guided the church in its struggle for the abolition of slavery in the eighteenth and nineteenth centuries in the West. Paul’s rhetorical skill, as well as his heart, are clearly on display here as he seeks reconciliation between Philemon and his runaway slave Onesimus. (For further background, see the ESV Study Bible, pages 2289–2292; 2353–2354; available online at www.esvbible.org.)

Placing Colossians and Philemon in the Larger Story

In the beginning, the Creator-King appointed humanity to be his image-bearers, to establish the earth as the realm of the kingdom of God. Heaven
and earth would intersect, and God would dwell among a flourishing human community. The will of God would be done on earth as it was in heaven. But humanity rebelled against their King and plunged the world into sin and death. Yet God’s original intention for humanity was not to be thwarted. He called Abraham and promised that from this family all the nations of the earth would be blessed (Gen. 12:3). From Abraham descended the nation Israel, which was to carry this blessing to the nations. But the Old Testament story is largely of Israel’s failure to accomplish this vocation. In the fullness of time, however, God sent Jesus, Israel’s ultimate king ("Messiah"), who, having dealt with humanity’s sin forever at his cross and resurrection, took up Israel’s stalled mission. In him, the redeemed people of God—comprised now of Jew and Gentile—take up this vocation of Old Testament Israel, bringing the good news of God’s reign in Christ to the nations. (Paul’s letters to the Colossians and to Philemon fit here.) At the end of history, Jesus will return as the world’s King to consummate God’s original intention for creation and to establish the kingdom of God fully upon the earth in the new creation. Then God will finally and fully dwell among his people forever.

**Key Verse**

“If then you have been raised with Christ, seek the things that are above, where Christ is, seated at the right hand of God” (Col. 3:1).

**Date and Historical Background**

Paul probably wrote his letters to the Colossians and to Philemon while imprisoned in Rome, about AD 61 (although an imprisonment in Ephesus in the mid-50s must remain a possibility). The apostle had already completed the three missionary journeys recorded in the book of Acts (ca. AD 46–57; see 13:1–21:16). After Paul’s arrest in Jerusalem and two years of imprisonment in Caesarea, a centurion guard escorted Paul by ship to Rome (Acts 21:27–27:1). After a hazardous journey, he arrived there in the spring of AD 60 (Acts 27:2–28:16). Here he lived under house arrest, although he was able to receive guests (Acts 28:17–31). This first Roman imprisonment lasted at least two years (AD 60–62; Acts 28:30). During this time, he wrote not only Colossians and Philemon but also the letters to the Ephesians and the Philippians. Timothy possibly served as his amanuensis (writing secretary) while Paul dictated the letters (Col. 1:1; 4:18; Philem. 1). Tychicus carried the letters from Rome to Colossae as the apostle’s delegate (Col. 4:7–8).
