NEW SERIES FROM 9MARKS ANSWERS
COMMON QUESTIONS ABOUT CHURCH LIFE

WHEATON, Ill.—No matter how long someone has been a member of a church, everyone has questions about what it means to live the Christian life in the context of a local church. These questions can range from how to practice the spiritual disciplines to how to know if one is truly saved to why it’s important to join a church. Finding answers to all of these questions will nurture believers’ church practice and commitment.

The 9Marks Church Questions series seeks to provide ordinary Christians with sound and accessible biblical teaching by addressing common questions Christians have about church life with biblical answers and practical applications. The first five volumes are set to release from Crossway in March 2020:

**What If I’m Discouraged in My Evangelism?** by Isaac Adams unpacks what the Bible says about evangelism, outlines what it looks like in the local church, and offers practical suggestions for making it a part of their daily Christian life.

**What If I Don’t Desire to Pray?** by John Onwuchekwa outlines the fundamentals of prayer, seeking to nurture in readers a desire to pray by showing its purpose and value in the context of the local church.

**What Should I Do Now That I’m a Christian?** by Sam Emadi explains the fundamentals of following Jesus, outlining seven steps for readers to take once they have believed in Jesus and how Christians can live out their obedience to Christ in a local church.

**Why Should I Join a Church?** by Mark Dever expounds Scripture’s teaching on the necessity of church membership and the Bible’s beautiful picture of life in a local church.

**How Can I Love Church Members with Different Politics?** by Jonathan Leeman and Andy Naselli proposes six practical recommendations to help Christians learn how to disagree on political issues with a spirit of gracious understanding.

Each volume in this series will help readers understand the centrality of the local church in Christian discipleship, learn how to faithfully engage in the life of their local church, and develop their own devotion to Christ. Readers will also be able to articulate what Scripture teaches about the local church and disciple others to do the same.

“A church is only as healthy as its members. This new 9Marks series is made up of short accessible mini-books designed to help church members understand the essential role of the local church in their Christian discipleship,” writes general editor Sam Emadi. “Each mini-book answers a common question about...”
the church and the Christian life and is full of practical application. Our hope is that these mini-books will serve as discipling resources in local churches for years to come.”
